

Works in Progress

New Homes

32 apartments and house numbers 2 to 43 are now complete, residents have moved in and are settled.

Travelodge

The hotel is open for business. A number of guests are using the Rochester hotel as a hub, then taking advantage of the short commute, to London, for their conferences and engagements in the City.

Public Art

Keep your eyes peeled for the various elements of public art, that have been completed, within the Plaza and Riverside walk.

Anticipated Works: Oct & Nov

- Drainage works have commenced within the Coach Park
- A temporary diversion of Gas House road is currently being re-programmed. The Temporary Traffic Road Order is with Medway council
- Common Creek Wharf play area has been installed and will be open soon

Works in Progress

- Enabling work to the former Coach Park is on-going
- Houses 44 to 90 are in build
- Apartment Blocks 2A, B, D & E are also in build

Public Plaza Officially Open!

The public plaza at Rochester Riverside was officially opened on Thursday 17th October by the Leader of Medway Council Alan Jarrett, Guy Slocombe of Hyde Housing and Andy Fancy of Countryside Properties. The Co-op store is the first of the retail units opening on the plaza, mid December. Costa following, early 2020. This milestone follows the first residents moving into their new homes in June this year and demonstrates the significant progress that has been made.
